# Sponsorship Packages

## Club History

Altona Magic Soccer Club is a Victorian Premier League championship club, winning the most prestigious title in Victorian football 5 times in the last 2 decades. The club had its most glorified years in the mid-90's, being crowned champions in 1995-96-97 respectively, then again in more recent times, back to back in 2008, 2009. These statistics make Altona Magic one of the most crowned and respected clubs in our state.

The club has developed thousands of juniors over the decades, with successful teams participating at National level. Altona Magic has become a breeding ground for player development and exposing talent, with players going on to play in the National League and representing Australia at various levels. We pride ourselves on succeeding in helping players kick-start their careers, establishing ourselves as a sporting and social club for the local community and becoming a local leader in the promotion of leading healthy and active lifestyles.

After a successful period, and successful promotion in 2018, the club finds itself in the top tier of Victorian football, competing in the National Premier League structure. The club wishes to continue working with junior and youth development in the coming years as that is the future of the sport.

Altona Magic has an increasing number of junior teams that range from 5 years right through to 18 years. We have developed teams in every age group from U7's to U18's for the coming year, as well as the continuation and development of female football, pushing the participation level to 20% by 2020.

We would like to invite you to join our winning team at Altona Magic and consider developing a beneficial business association with our club which can help meet your corporate objectives and network your business with others at our club. We have several packages for our potential sponsors, catering for each sponsors financial commitments and business objectives.

All packages are negotiable and can be tailored to suit your needs, including a club membership.
